*University of North Carolina at Charlotte*

### ***Scott Residence Hall Fire Suppression Sprinkler System***

Holder Construction Company is pre-qualifying principal trade and specialty contractors to submit bids for the above referenced project. Holder has been selected as the Construction Manager at Risk and will be receiving bids for the work associated with this project.

Historically Underutilized Businesses are encouraged to participate, but the firm must be certified by the Office for Historically Underutilized Businesses through the Statewide Uniform Certification (SWUC) program. You may begin the certification process at the following website: <http://www.doa.nc.gov/hub/>.

The Scott Residence Hall project includes the addition of a fire suppression sprinkler system and renovation of the fire alarm system in this 100,000SF, 11 story building. The scope also includes connecting the adjacent residence hall to Scott Hall with underground water and electrical utilities. The project will start mid-May 2012 and be completed August 1, 2012.

#### **The following trades are required for this project:**

01A	Protection of Finishes	01B	Final Cleaning
02A	Sitework	03A	Concrete Sidewalks
09A	Drywall Systems	09B	Acoustical Ceilings
09C	Painting	15A	Fire Protection
15B	Plumbing	16A	Electrical/ Fire Alarm

**Anticipated Bid Date** – Late March 2012

Pre-qualification documents are available for download at:
